## 5 THINGS TO KNOW

## ABOUT APOGEE

Through the **Georgia Tax Credit Program**, Apogee lets you redirect some of the state taxes you owe to a school like GVP. **You do NOT pay more or lose out on your tax refund...** you simply send the money you'd already spend on taxes to a private or nonprofit school whose students need scholarships.

With Apogee, you get **DOUBLE THE TAX BENEFIT.** You receive a dollar-for-dollar state tax credit AND a charitable deduction on your federal taxes. But remember that in the meantime, you will need to fulfill your donation out-of-pocket.

When you donate to GVP through the Apogee program, you're providing scholarships for our students so that we can keep covering the costs of their **tuition, lunch, and transportation** every day.

It takes less than 2 minutes to apply at [Apogee123.org](http://Apogee123.org) and participate in the GA Tax Credit Program.

- You can **pledge any amount you want** - but remember that the State of Georgia will only approve a portion of your pledge for the tax credit, usually around 50%... That portion is all you're expected to donate.
