SPONSOR A LUNCH

DONATE OR HOST SCHOOL LUNCH FOR GVP STUDENTS

DID YOU KNOW?

You can sponsor lunch for students at Global Village Project.

Global Village Project provides nutritious lunch daily for its students. GVP has a partnership with nearby Agnes Scott College which allows our students to walk to Agnes Scott for lunch there, everyday.

On Wednesdays, GVP provides lunch in-house to students. In so doing, GVP accommodates the different cultures represented among the students with the lunch provided. GVP offers meals that are hardy, nutritious and adhere to the dietary restrictions of the students based on backgrounds and faith.

GVP welcomes sponsorships from individuals and groups willing to support lunch for our students. GVP uses a selected caterer to prepare and deliver lunch for the students. The caterer adheres to GVP's requirements for meals and preferences.

GVP also welcomes lunch hosts, which involves serving lunch to and interacting with the students during their meals as well as helping with clean-up. Hosts must be at least 18 year os age.

Recurring hosts, wishing to serve lunch on more than once occasion or on a regular basis must pass a background check in order to volunteer on GVP's campus regularly.
